End date:

### 4. Please provide any information that might help us understand your reason for offering this adapted program.

### 5. Please indicate the components of the adapted program you wish to offer:

The first \_\_\_\_\_ sessions exactly as outlined in the current *Making Hanen Happen Leaders Guide* and the *Hanen Program Manual for Telepractice*; and \_\_\_\_\_ video feedback session(s).

### 6. Confirmation of compliance with requirements for an adapted Hanen Program via telepractice

I plan to offer an adapted program based on the following program/version:

- It Takes Two to Talk® (2022 version)
- More Than Words® (2024 version)
- TalkAbility™ (2010 version)

I will offer the first \_\_\_\_\_ sessions of the program I selected above

I will offer the above-mentioned version of the program, which includes the following resources:

- PowerPoint program slides;
- the *Making Hanen Happen Leaders Guide*; and
- the *Hanen Program Manual for Telepractice*

These resources can be found in the Program Resources section of the member website.

I will keep the 4P and 2P cycles for each session exactly as they are written in the current version of the *Making Hanen Happen Leaders Guide* and the *Hanen Program Manual for Telepractice*, and will not reduce or modify any session content or time allocated to the session's activities

I will offer the video feedback session/s exactly as required in the adapted program guidelines:

**If you plan to offer ONE video feedback session:**

- It Takes Two to Talk®: I will offer one video feedback session, which will take place after Session 2
- More Than Words®: I will offer one video feedback session, which will take place after Session 2
- TalkAbility™: I will offer one video feedback session, which will take place after Session 3

**If you plan to offer TWO video feedback sessions:**

- (All three programs) I will offer two video feedback sessions at exactly the same point in the adapted program as in the full program, as per the current *Making Hanen Happen Leaders Guide*

I will offer an Orientation session (**mandatory for It Takes Two to Talk® and More Than Words®**; recommended for TalkAbility™)  Yes  No

- I will conduct a pre-program consultation with the parents and child, which includes doing a baseline recording of the parent-child interaction
- I will use the baseline recording, as well as parent input, to help parents develop appropriate communication goals for their child
- With parental input, I will modify child goals as the program progresses, as needed
- My program will contain a maximum of 8 families

**Thank you for your application to offer  
an adapted Hanen Program via telepractice.**

Please save and email this form to [copyright@hanen.org](mailto:copyright@hanen.org).

Please do not offer the adapted program until you have signed an agreement with The Hanen Centre®.

Unless we have any questions, we will process this application and send you an agreement to sign electronically, after which you will be able to offer the adapted program for a three-year period.
